

APPEAL FROM PAKISTAN PEDIATRIC ASSOCIATION (PPA)

FOR HELPING FLOOD VICTIMS IN PAKISTAN

Dear Colleagues ,

I wish to draw your attention to the terrible disaster caused by floods in Pakistan. According to UNO it is a catastrophe bigger than Tsunami and the Haiti Earth Quake put together.

Over 20 million people have been displaced, and thousands have died, worst affected are the children. Those who have survived are hungry, thirsty, and sick suffering from diarrhea, cholera, typhoid, malaria and pneumonia. We expect hepatitis A, out-break as well.

PPA is doing its best for flood relief. However the task is too great and we cannot do it alone.

We request the help of your Association / Society in this respect. We also request you to kindly issue an appeal to your members to help us with funds or in kind (drugs, i/v drips, sterilizing tablets etc). In this connection, people can mail me for enquiries.

Bank Account for electronic transfer or International Bankers draft is:

Account # 00080160511803 Title “PPA: Emergency Relief Fund” at Habib Bank, Iddgah branch, M. A. Jinnah Road, Karachi, Pakistan

Email Address: Prof.arif@hotmail.com; Secretary.general.ppa@hotmail.com
